

Glenn Tilbrook

One For The Road Sony BMG/Image Entertainment 82876782199)

Very much an alternative look at the life of a rock star on the road, Amy Pickard's film of former Squeeze

star Glenn Tilbrook's first solo tour of America is heartwarming, with the engaging star of the piece travelling to gigs in a less than reliable mobile home. It is more than just a road movie, however, with Tilbrook performing fine live acoustic versions of Squeeze hits such as Tempted, Is That Love and Take Me I'm Yours. Extensive extras include Tilbrook's audio commentary, an interview with his former Squeeze colleague Chris Difford and Ms Pickard's 1991 public access TV interview with Difford and Tilbrook.
